UiPath STUDENT COMMUNITY

UiPath Community

Certificate of Completion

This is to certify

Mayukh Das

has successfully completed “**MAESTROVA – Where Automation meets Intelligence**”, a bootcamp organized by the **UiPath Student Community KIIT** under the **Training and Placement Cell, KIIT DU**, held from 21st September to 30th September, 2026. During the program, the participant actively explored the fundamentals of Agentic AI, multi-agent orchestration, UiPath Maestro, UiPath Apps, and automation-driven solution building, demonstrating dedication, enthusiasm, and continuous learning throughout the bootcamp.
